Welcome

CAITR (Conference of Australian Institutes of Transport Research) represents a forum for transport researchers and professionals to present and discuss their work with peers and colleagues in a supportive, informal environment and to be part of a network of expertise. CAITR is particularly valuable to research students (PhDs, Masters and Undergraduates), and recently qualified researchers, providing an opportunity to present work in progress and receive constructive feedback.

This year, CAITR will be held in Canberra. The venue is the UNSW@ADFA campus at Northcott Drive, Canberra, and will be hosted by the School of Business at UNSW@ADFA. The Conference itself will consist of paper presentations. Researchers will be able to make an oral presentation at CAITR and also present in a special CAITR poster paper session at ATRF. Students who present their work at CAITR will have the opportunity to attend the ATRF conference for a discounted registration fee.

Call for Abstracts

Abstracts of between 200 and 300 words should be submitted to the conference secretariat, e.barber@adfa.edu.au by Monday, 19th July.
