

**Faculty of Engineering**  
**Leadership in a Technological Environment Program**

**Application Form 2008**  
**(Program Commencing 2009)**

**Applications Close 6<sup>TH</sup> October 2008**

The Leadership in a Technological Environment Program is designed to provide students with the opportunity to develop skills that will help make them leaders of the future. It is a three-year non-award program consisting of a residential component and nine modules. More details about the Program can be obtained from the Leadership Brochure located at the following website: <http://www.eng.monash.edu.au/current-students/merit/leadership/>

The Program reflects the Faculty of Engineering's commitment to excellence. Entry to the Program is by invitation only. Pathways into the Program are through:

1. Being awarded an Engineering Excellence Award (direct from Year 12)
2. Engineering applicants into the Ancora Imparo Leadership Program (Vice Chancellors Student Leadership program) who are interviewed but not accepted into the program, and
3. Application by students who have completed Level 1 of any Engineering program.

***To qualify for the program applicants must:***

- be enrolled as a first-year undergraduate engineering student pursuing their first degree at a Victorian campus of Monash University, or
- be enrolled as a first year undergraduate who will be transferring to Monash in their second year, or
- a student in their final year at Monash College, or
- be completing their first year of study in an engineering degree at Monash University and have at least a further three years of study to complete the degree

***Selection will be made on the following:***

- school and community activities
- personal responses to questions
- academic performance
- interview (for short-listed applicants)

Short listed applications will be interviewed during October 2008. Applicants must be available for an interview in person or by phone during that period.

***Selection Process Timeline***

1. Applications close 5PM **6<sup>th</sup> October** 2008.
2. Applicants short listed **10<sup>th</sup> October** 2008
3. All applicants notified of application outcome **10<sup>th</sup> October** 2008
4. Interviews week 13, **13<sup>th</sup> -17<sup>th</sup> October** 2008
5. Interviewed applicants notified of outcome: late October 2008

Further clarification about the selection process, can be obtained from the Leadership in a Technological Environment Program Manager, Teri Foster. Please email [teri.foster@eng.monash.edu.au](mailto:teri.foster@eng.monash.edu.au)

***Students admitted to the program are required to commit to attendance at***

- the residential component 18<sup>th</sup>, 19<sup>th</sup> & 20<sup>th</sup> February 2009 and
- Nine modules over a three-year period.
- Please type your application and use additional pages if necessary to answer the questions.
- Receipt of application will be sent to your Monash University student email address. (*this email address must be used for all University correspondence*)

***Before sending this application, please ensure that you have completed the following:***

- Attached a copy of your Year 12 results including your ENTER score
- Attached a copy of any tertiary education results (including Monash University results).  
*Please note that copies of academic transcripts will not be returned*
- Completed the four essay questions
- Signed the Commitment to Participate form
- Incomplete applications will not be processed.
- Please **post** completed applications to:

Leadership in a Technological Environment  
MERIT OFFICE

## Participation

The Leadership in a Technological Environment Program is a unique opportunity and an excellent learning experience for all participants. Before applying please consider that the Program requires participation in the residential component and attendance at nine modules over three years. This is a significant commitment of time and energy. Please sign this form as confirmation of your commitment should you be selected.

If successful, I confirm that I understand the commitment to fully participate in all aspects of the Program.
